DEDICATION

The Class of 1993 dedicates our yearbook, ECHO '93, to

Mr. Ronald Berube

Mr. Ronald Berube has supported the Class of 1993 as a teacher, friend, and confidant; he has always shown a caring and kindness for all our class members. The ECHO '93 staff says a special thank you for the great contribution he has made to our yearbook. He has assisted us with special photographic assignments, and as 'Doctor' Berube with our critical computer problems.

We wish you luck, Mr. Berube, and thank you for the contributions you have made to the fullness of our years and our fond memories of Canton High.

We will always remember you.

FIELD HOCKEY

The 1992 Varsity Field Hockey season proved to be one of heartbreak and determination. Lead by senior co-captains Jean France and Amy Kelleher, the team began its season with high hopes and spirits. The girls would fall short of a tournament berth by only one point for the first time in over 10 years.

Although the season proved to be somewhat disappointing, there were a few high points that only this team could achieve. Two 4-0 wins over North Attleboro and Oliver Ames and a non-league 2-1 win over Nantucket where the team was treated to a very interesting weekend.

Special congratulations go to Laurie O'Brien and Amy Kelleher for being selected to the 1992 All-Star team.

The Girls' Soccer Squads' fantastic 13-2-1 record was a testament to the team's unstoppable drive and indomitable spirit. "The kids had an outstanding year," said Coach Bob Ringuette. The highlight of the year was no doubt a heartpounding 2-1 victory over Foxboro, which gave the Lady Bulldogs their first win in history against these arch-rivals.

Forward Kara Murphy and halfback Danielle Quin were named League All-Stars, but the entire team deserved this recognition. Coach Ringuette summed it up best by saying, "The team exceeded all expectations but lived up to their own reputation."

HOCKOMOCK LEAGUE CHAMPS 16-0

Excellence.

That's the only adjective that comes to mind when describing the 1992 Golf Squad. Their brilliant season left no doubt that they were and will be the dominant force in the Hockomock division for years to come. Twelve kids made up this small town Dream Team, and these 12 may be remembered as the beginners of a dynasty.

When asked about the standouts of the year, Coach Joe Roache chuckled softly. "When you go 16-0, everybody has a good year," he said. It's certainly a correct statemnt. In fact, Roache had a difficult time giving his boys equal amounts of playing time, considering the squad's all-around talent. "It's hard to sit down a kid who's winning all the time," Roache said. It was the deepness of the Bulldogs, their confidence, and each player's smooth stroke that left every other team in the cellar.

BOYS' BASKETBALL

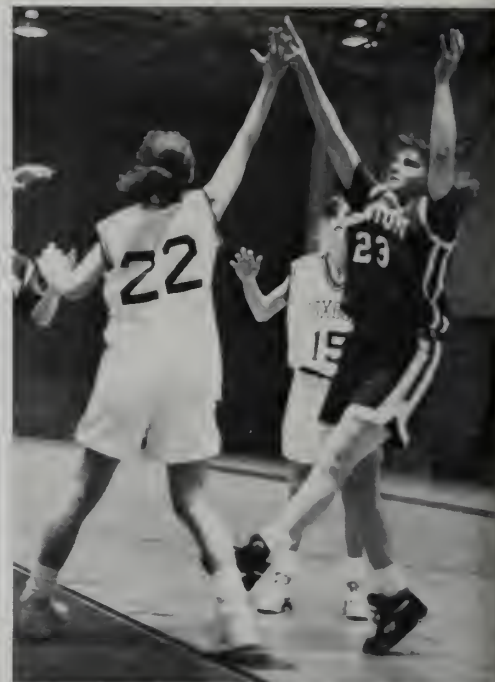

With only one returning starter from last year, Coach Roozelet admitted that the odds were not stacked in his team's favor: "We weren't expected to do a whole lot," commented Roozelet. "But overall I was pleased with the way the kids have played." Victories against stiff competition such as Sharon and Foxboro were 'enormous' confidence builders." The team's four seniors (Adam Fletcher, Jason Schauble, Brad McNamara, and Mike Barthel) were backed by a youthful core of players, who got a lot of first hand experience.

Team leader Fletcher had a magnificent season, leading the Hockomock league in scoring and giving his team the offensive spark they needed. Aside from breaking the single-game record for points scored at Canton High (43), Adam also reached the 1,000 point mark during his career at Canton late in the season.

GIRLS' BASKETBALL

"It's been a lot of fun," said Coach Jim Carta when asked about his 92-93 girls' basketball squad. "I personally enjoyed this time as much as last year." The Lady Bulldogs were led by Captain Kara Murphy and Jackie Hodgman, who both did a great job "keeping everybody together." Murphy and Hodgman, along with players Carolyn McGowan and Erin Murphy, provided consistent, solid offense. Nicole Gerrish and Shannon Gann did "a nice job coming off the bench," and talented freshmen Julie Lane and Eileen Morneau both were hopeful prospects for the future.

Highlights of the year were Canton's 49-39 victory over 13 Oliver Ames, "an outstanding defensive effort." After losing to Sharon, the Dogs roared back to defeat them later in the season by 12 points on their home court. "We weren't expected to win more than 4 or 5 games," commented Coach Carta. "But we achieved more than what was expected." Tenacious Murphy and freshman phenom Morneau were named All-stars.

The Bulldogs of the ice had a season that could only be described as unlucky. It seemed as if the puck just wouldn't bounce their way, no matter how much offensive pressure was exerted. Two hard-fought games against Stoughton ended in a midseason 4-3 loss and a year-ending 0-0 tie, the latter costing the Dogs first place in the Hockomock League. In both games Canton played magnificently, but could not put the puck in the net during the crucial moments. This became quite common during the season; terrific playing negated by unfortunate occurrences.

But there were times when the Dogs could do no wrong. A 6-1 victory over archrivals Franklin was a ferocious assault of stellar offense and tenacious defense; every man in green shined. Earlier that year the Dogs battled Franklin to an exhausting 4-4 tie that some consider the most exciting game of the season. Canton ended the season tied for second place with a spot in the State Tournament.

HOCKOMOCK LEAGUE CHAMPIONS

The 92-93 gymnastics team had another brilliant season, giving no doubt that there is a dynasty in the making. "This is definitely one of the most talented teams Canton has ever had," mentioned Coach Kevin Kelleher. The coach also pointed to his three seniors, Cristina White, Lauren Ammendolia, and Marybeth Gibson, as solid role models who sparked the team's enthusiasm.

Wins against North Attleboro and Sharon, were the highlights of the year, proving the Lady Bulldogs' dominant hold on the Hockomock league. And if there's any worry that this victory machine will fade away after this season, let them be dispelled. A powerful group of freshmen and sophomores are ready to keep the glory alive.

The Canton High School Math Team has been New England champions for the last 12 years. For the past 18 years, it has won first place in both the Massachusetts Mathematics League and the Greater Boston Mathematics League. We plan to do very well on the American High School National Exam. Canton High School has often ranked among the top 25 schools in America.

Canton High School is always well represented on the Eastern Massachusetts All Star Math Team, which competes in a national competition at Penn State University. The All Star Team placed second in the United States last year. We hope to win it all this year!

The Math Team's enormous success is due largely to the dedication of its coaches and advisors, Mr. Martin Badoian, Mrs. Veronica Powers, and Mr. William Sweeney. We all work very hard throughout the year to prepare for competitions. This includes a math seminar three times a week and after school sessions.

The Spectrum has vastly improved in its third year of production. This improvement is due, in part, to a new journalism elective course at CHS which has partially solved our problems of past years, namely: lack of organization, lack of a definitive style, and lack of knowledge about the basic mechanics of what makes up a good publication. This year the staff is dominated by students who have learned many of the skills necessary for good newspaper production through this journalism class.

I would like to thank our advertisers for their continued support and our adviser, Mr. Ladow, for his time, energy and chaotic originality. The Canton Citizen has also been a great help to the Spectrum with their assistance in the printing of the paper.

The Spectrum has evolved into a quality production not because of the hard work of a few, as it has been in the past, but because of the coordinated effort of many. I thank the staff from top to bottom for their diligence, patience, and willingness to learn. I am proud of the strides we have made and see only achievable goals ahead of us.

ECHO '93

On behalf of this year's staff we would like to take this opportunity to express our deepest gratitude to all those who made this year's book possible. A very special thanks goes to Mrs. Healy and Mrs. Devine for their endless hours of work and dedication. Also, thank you to all of the staff members, who without their time and efforts, this book would not have been published for you to enjoy today.

Our four years at Canton High have held special moments that have stood out in our minds. It is with our great hope that we, the staff, have captured all of these moments of the past four years that have made our time here special. This year's book is an accumulation of all the activities, sports, and functions that represent The Class of 1993.

As we reflect on all the changes that are yet to come for our country with the new presidency, we realize that change is inevitable in any situation. As we enter college and the work force we, too, will experience change, but on a personal level. There will be many changes for us as people and many horizons will be broadened. We will soon forget the carefree feeling we have possessed throughout high school and the memories that we have made. But we hope that with this year's book those memories will not be so soon forgotten.

It is with the greatest pleasure and the deepest pride that we present to you Echo '93.

Best wishes,
Ann Fischer and Jim Russo
